PwC Tower

Commentary

Located at the heart of the Auckland's waterfront, The PwC Tower at Commercial Bay represents the most significant evolution in premium workspace that Auckland has seen in decades. Designed by Warren and Mahoney in partnership with Woods Bagot, the tower has transformed Auckland's skyline.

The PwC tower has been designed from the inside out with a new generation floorplate. The core is located on the south side of the tower allowing for an exceptionally efficient floorplate with minimal columns. The tower offers dramatic views across the Waitemata Harbour to the north, east and west.

The tower features premium grade office accommodation, three levels of basement parking and storage areas, End of Trip facilities, as well as meeting and event space operated by Generator that is available for bookings.

The PwC tower is located at the hub of Auckland's transport network with easy access to the bus, train, and ferry terminals.

The PWC Tower has recently been awarded a 5-star Green Star rating.

Commercial Bay Retail

Commentary

Opened in June 2020, Commercial Bay is an iconic waterfront retail and hospitality destination. It is characterised by its laneway configuration that sets a new benchmark level in the New Zealand retail market.

Located across three levels Commercial Bay retail is home to an outstanding mix of 120 retailers across fashion, food and beverage, beauty and speciality retail. Commercial Bay brings together the largest concentration of high-quality local and international retailers to the heart of Auckland city.

Commercial Bay has been designed to honour the history of the site and to reinstate Commercial Bay as the centre of activity, trade, and commerce in the city. The design involved a number of partnerships including, Ngāti Whātua Ōrākei (NWO), council controlled organisations, and external consultants and project teams.

Commercial Bay is situated in prime position on Auckland's waterfront at 7 Queen Street, and can be easily accessed via trains, buses, ferries, bike paths or private vehicles.

HSBC Tower

Commentary

Located in the northern sector of the CBD, The HSBC Tower is a landmark Premium Grade office tower occupying a prime 4,730 sqm freehold waterfront corner site, affording unrivalled views of the Waitemata Harbour.

The building consists of 29 levels, comprising of 7 levels of car parking, storage, ground level and lobby retail and 23 levels of office space. In 2020 Precinct completed a brand new, architecturally designed lobby as well as entire refurbishments to the building's end of trip facilities and bicycle storage area.

With large floor plates and a central core, the building allows for efficient subdivision into multiple tenancies. The building features an on-site concierge, 24/7 security, and high-speed destination-controlled lifts.

The tower is in close proximity to the amenities provided by the waterfront, and Britomart Transport Centre, and accordingly experiences strong occupier demand. A pedestrian bridge links the tower to the recently completed world class retail, hospitality, and business precinct Commercial Bay.

29 Customs Street West, Auckland

AON Centre Auckland

Commentary

The AON Centre Auckland has sweeping views across the Viaduct Basin and Hauraki Gulf. The AON Centre Auckland offers 21 levels of corporate office space and two levels of parking space right on the corner of Custom Street West and Lower Albert Street. The AON Centre Auckland forms part of the recently completed Commercial Bay precinct. Occupiers benefit from a seamless connection to world class retail and hospitality as well as being part of New Zealand's largest business community.

Built in 1980, followed by refurbishments in 1992 and 2002, the AON Centre Auckland provides a range of amenities, from onsite childcare facilities, several food and beverage options, a metro supermarket, and recently redeveloped End of Trip facilities.

The building's large windows provide generous natural sunlight, while large floor plates enable a flexible interior layout allowing clients to add a personal touch to the space they work in.

The AON Centre Auckland has excellent access to key public transport hubs including the ferry terminal, Britomart station and the Downtown bus terminal.

Jarden House

Commentary

Located in a prime position within Auckland's CBD, the building comprises a modern premium quality office building providing retail areas, lobby areas, end of trip facilities, on-site concierge services, plus 15 levels of office accommodation above.

The building has a prime location on Queen Street at the heart of Auckland's waterfront. It is fully integrated into the world class Commercial Bay precinct with the lower levels absorbed by the Commercial Bay retail development. The Jarden House lobby is currently undergoing a refurbishment to create a premium client experience.

An extensive upgrade through 2008-2009 saw the redevelopment incorporate the construction of 4 new upper levels, new facade cladding and internal modernisation with the latest technology services.

The building received a 5-star rating by the Green Building Council on completion.

Major clients include Jarden and Guardians of New Zealand Superannuation.

139 Pakenham Street, Auckland

Mason Brothers

Commentary

Mason Bros. is the first completed development by Precinct Properties within the Wynyard Quarter Innovation Precinct.

It is an adaptive reuse of a large character warehouse that dates to the 1920s. The refurbishment has been designed by Warren and Mahoney and celebrates the rich industrial heritage of the building while pushing the boundaries in terms of contemporary workplace and the innovative environment.

The building was refurbished with sustainability in mind and has been awarded a 6-Green Star rating and a 5 Star NABERSNZ energy rating. As a result, tenants have experienced an increase in personal productivity and a drop-in absenteeism.

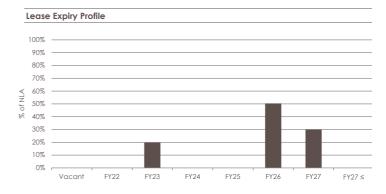

The Mason Bros. building is fully occupied and features large floor plates, bike racks and End of Trip facilities.

5A (12 Madden)

Commentary

Part of GridAKL – the innovation precinct in Wynyard Quarter, 12 Madden Street is operated by Generator. Designed by Warren and Mahoney with interior fit out by Jasmax, 12 Madden Street offers an agile and exciting environment designed to attract New Zealand's brightest talent, creating a collaborative and energising culture that encourages and strengthens innovation and new ways of thinking.

Designed with a focus on sustainability, since completion occupiers of 12 Madden Street have recorded a reduction in water and power usage, alongside an increase in productivity and reduction in absenteeism.

12 Madden Street is a premium co-working space and is suitable for corporate residents to start-ups and SME's, or international companies seeking an Auckland beachhead.

ATEED appointed Generator to manage 12 Madden Street.

The adjoining N Cole building which has recently been refurbrished comprises a single level providing boutique offices and showroom accommodations.

Note: Statistics include N Cole

10 Madden Street

Commentary

10 Madden Street is a dynamic new building designed to spark creativity and support modern, agile ways of working.

Set across seven floors, the low-rise campus-style buildings in this area connect occupiers with public spaces, public transport and an excellent level of retail and hospitality amenity.

Designed by Warren and Mahoney, the distinctive side core of the building creates large, flexible floor plates.

10 Madden Street is a sustainable building targeting a 5 Star Green Star rating. The building recycles rainwater for the living wall, it has solar panels on the roof, electric vehicle charging points in the carpark, and end of trip facilities allow occupiers to ride, run or walk to work with lockers, showers, towels, and bike repair services at their disposal.

The building's current occupiers are a prime example of innovation and businesses at the cutting edge of technology.

This building is being held for sale as at 30 June 2022

No.1 The Terrace

Commentary

The building, constructed in 1979, is located in a prime Wellington CBD location close to the Government sector and The Beehive.

No. 1 The Terrace comprises an 18 level office tower of concrete construction with 16 office levels and two levels of basement storage accommodation.

The building has undergone major refurbishment in 1990 and was further refurbished in 2004 and 2005 covering all office levels. Levels 5-14 recently underwent a further refurbishment creating an open plan configuration which achieved practical completion in early 2020. The office floors of the building are fully occupied with leases to The Treasury and the Ministry of Education.

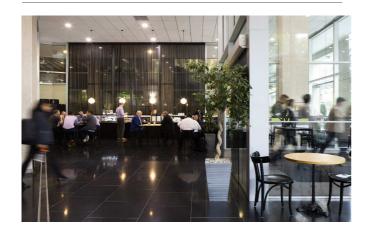

No. 3 The Terrace is a 4-level building with mezzanine and basement areas completed in 2006. The building is fully integrated with No. 1 The Terrace. In 2020, works have been completed to refurbish the podium section of the building.

Note: Statistics include No. 3 The Terrace ground lease

NTT Tower

Commentary

NTT Tower is a prestigious 25 level commercial podium and office tower incorporating 10 levels of carparking, 15 levels of office accommodation and is integrated with the former Police buildings now converted to office and retail use and rebranded to Central on Midland Park.

The building is located within the Core Central Business District, directly opposite the prime retail sector of the city and within close proximity of all central city amenities including public transport plus the Government Centre and law courts a short distance north.

Facing Midland Park, NTT Tower offers large open plan office space with panoramic views of the Wellington Harbour.

A total of 8 lifts service the building with 5 of them servicing the office tower floors. In addition, the building is equipped with a variable air volume air conditioning system, fire sprinklers, and an emergency generator.

Mayfair House

Commentary

Situated on the north western periphery of the core Central Business District in Wellington. The location is within close proximity to all central city amenities including Lambton Quay retail, public transport plus the Government Centre and law courts a short distance north.

Mayfair House, constructed in the late 1980s, is a 15 level tower comprising of 11 $\,$ large column free levels of office accommodation with two mezzanine floors at the upper levels and 4 levels of car parking. The carpark income is distributed under a shared management agreement.

In 2010 the building underwent a refurbishment including the upgrade of the toilet facilities, new destination control systems to the lifts and refurbished lift cars. Further basebuild and seismic strenghtening work has recently been completed as part of the Government Accommodation Project.

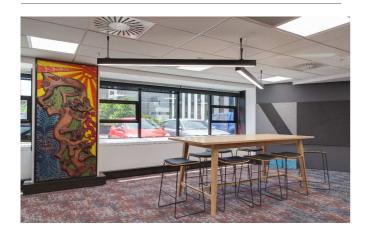

The entire building is leased to the Department of Corrections.

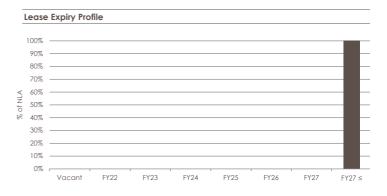

This building is being held for sale as at 30 June 2022

AON Centre Wellington

Commentary

AON Centre Wellington, at 1 Willis Street is a Wellington landmark. Located at the junction of Willis Street, Lambton and Customhouse Quays, the building sits at the heart of the central business and retail districts.

Completed in 1984, Precinct has recently refurbished the lobby and upgraded the concierge facilities to ensure this 80s landmark continues to set the standard.

Floor plates of 1,076 sqm each can accommodate up to 100 people per floor in a high-density work environment. The generous ceiling height and floor to ceiling glazing provide plenty of natural light.

The upper floors of the AON Centre Wellington offer 360-degree views over Wellington, taking in a huge sweep of the harbour.

The steel structure affords the tower a high seismic rating. No. 1 Willis has been assessed as providing an equivalent New Building Standard (NBS) rating of 95-100% based on a Detailed Engineering Evaluation (DEE).

The AON Centre Wellington offers generous bike storage, showers and lockers on the B2 basement level, accessible from the parking garage.

The tower's basement retail is currently undergoing significant re-development and re-configuration to provide 'Willis Lane', an underground hospitality and entertainment destination.

Charles Fergusson Building

Commentary

Charles Fergusson Building opened in 1975 and is named after Sir Charles Fergusson, Governor General of New Zealand from 1924 – 1930.

The building comprises a basement, lower ground, ground and 14 upper levels. The redevelopment extends the floor plate from 800 sqm to 900 sqm.

The redevelopment, designed by Warren and Mahoney includes a new façade, seismic strengthening to 100% of National Building Standard, new lifting systems and mechanical services and new modern base build fit out.

The Charles Fergusson Building was awarded the RCP Commercial Office Property Award (Merit) at the 2019 Property Council New Zealand Rider Levett Bucknall Property Industry awards.

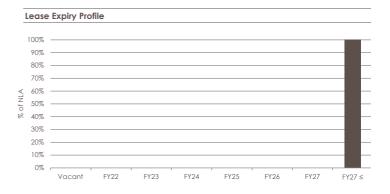

This building is being held for sale as at 30 June 2022

Defence House

Commentary

Defence House, the former Bowen State Building was opened in 1962. Extensive work began in November 2016 to redevelop the building into a modern, efficient, and cost-effective workspace for the public sector. The redevelopment was completed in 2019 and is now fully occupied and leased until 2037. Defence House serves as the official headquarters for the New Zealand Defence Force.

The redevelopment, designed by Warren and Mahoney includes a new facade alongside seismic strengthening to 100% of National Building Standard, new lifting systems and mechanical services, and new modern base build fit out.

The building is a 10-level office building, with two basement levels, ground and 10 upper levels.
