FINAL TERMS SHEET

FOR AN ISSUE OF \$150,000,000 FIXED RATE SECURED GREEN BONDS

This Terms Sheet sets out the key terms of the offer ("Offer") by Precinct Properties New Zealand Limited ("Precinct") of \$150,000,000 fixed rate secured green bonds, maturing on 28 May 2027 ("Green Bonds") under its master trust deed dated 27 November 2014 (as last amended on 25 August 2017 and as amended from time to time) ("Trust Deed"), as modified and supplemented by the supplemental trust deed dated 17 May 2021 (together with the Trust Deed, "Trust Documents") entered into between Precinct and The New Zealand Guardian Trust Company Limited ("Supervisor"). Unless the context otherwise requires, capitalised terms used in this Terms Sheet have the same meaning given to them in the Trust Documents.

Important Notice

The offer of debt securities by Precinct is made in reliance upon the exclusion in clause 19 of schedule 1 of the Financial Markets Conduct Act 2013 ("FMCA").

The offer contained in this Terms Sheet is an offer of bonds that have identical rights, privileges, limitations and conditions (except for the interest rate and maturity date) as Precinct's bonds maturing on:

- 17 December 2021 which have a fixed interest rate of 5.54% per annum and are currently quoted on the NZX Debt Market under the ticker code PCT010; and
- 27 November 2024 which have a fixed interest rate of 4.42% per annum and are currently quoted on the NZX Debt Market under the ticker code PCT020.

(together, "Existing Bonds").

Accordingly, the Green Bonds are the same class as the Existing Bonds for the purposes of the FMCA and the Financial Markets Conduct Regulations 2014.

Precinct is subject to a disclosure obligation that requires it to notify certain material information to NZX Limited ("NZX") for the purpose of that information being made available to participants in the market and that information can be found by visiting www.nzx.com/companies/PCT.

The Existing Bonds are the only debt securities of Precinct that are currently quoted in the same class as the Green Bonds.

Investors can refer to nzx.com/markets/NZDX to find out how the market assesses the returns and risk premium for the Existing Bonds. This website allows investors to compare the yield of the financial products listed on the NZX Debt Market. When comparing the yield of two debt securities, it is important to consider all relevant factors (including the credit rating (if any), maturity and the other terms of the relevant debt securities).

Key Terms of the Green Bonds

Issuer	Precinct Properties New Zealand Limited ("Precinct").
Description	The Green Bonds are fixed rate secured green bonds. The Green Bonds will be secured by Mortgages and will rank equally with certain other senior obligations of Precinct secured by the same Mortgages.
Security	The Green Bonds benefit (on an equal ranking basis with other secured creditors, including Precinct's lenders under the Bank Facility Agreement, holders of the Existing Bonds, holders of USPP notes issued by Precinct in the United States and any future secured creditors) from mortgages over real property ("Mortgages") granted from time to time by Precinct and the Guarantors (each, a "Security Provider"). In an insolvency of any of those Security Providers, the claims of the senior secured creditors will (by virtue of that security) rank ahead of all other creditors of that Security Provider other than certain statutorily preferred creditors.
Guarantee	The Green Bonds are guaranteed on a joint and several basis by the Guarantors. The guarantee obligations of the Guarantors are not limited and are secured by the Mortgages. As at the date of this Terms Sheet, the Guarantors are Precinct Properties Holdings Limited and Precinct Properties Wynyard Limited.

Purpose

The net proceeds of this offer are intended to be earmarked in accordance with Precinct's Sustainable Debt Framework dated 2020 (as amended from time to time) (the "**Sustainable Debt Framework**") to finance or refinance energy efficient buildings meeting the following criteria ("**Eligible assets**"):

1. Certified as obtaining, or targeting, a minimum 5-Star NZGBC Green Star Built rating; or
2. Certified as obtaining, or targeting, a minimum 4-Star NABERSNZ Energy Base Building Rating or Energy Whole Building Rating.

As at 31 March , Precinct has \$1.8bn of Eligible assets.

In particular, as at the date of this Terms Sheet, Precinct expects to apply the net proceeds of the offer to refinance existing debt, and to track an amount equal to the net proceeds within its systems, earmarked to Eligible assets. Under the Sustainable Debt Framework, Precinct intends to maintain a balance of Eligible assets, based on market value, which is larger than the sum of net proceeds from all Green Bonds and other "use of proceeds" green bonds and loans.

A copy of the Sustainable Debt Framework is available on Precinct's website at <https://www.precinct.co.nz/investors/bondholder-and-noteholder-information>.

The Green Bond Principles

Precinct has developed and adopted the Sustainable Debt Framework to ensure that, as at the date of this Terms Sheet, its processes for identifying Eligible assets and managing the use of the proceeds of the Green Bonds are consistent with the Green Bond Principles dated June 2018 (as amended from time to time, the "**Green Bond Principles**") as published by the International Capital Market Association.

Precinct intends to seek assurance from an approved verifier of compliance of green bonds under the Sustainable Debt Framework with the Green Bond Principles and the Sustainable Debt Framework, on an annual basis. Ernst & Young Limited has provided a limited assurance report to Precinct in relation to compliance of the Existing Bonds. A copy of that limited assurance report is available on Precinct's website at <https://www.precinct.co.nz/investors/bondholder-and-noteholder-information>.

No Event of Default in relation to Sustainable Debt Framework or Green Bond Principles

If:

- Precinct fails to earmark the proceeds of the Green Bonds as described in this Terms Sheet or the Sustainable Debt Framework;
- Precinct fails to comply with the Sustainable Debt Framework;
- the Green Bonds cease to satisfy the Green Bond Principles (or market practices, standards, principles or regulations further develop in a way that the Green Bonds are not consistent with); or
- Precinct fails to notify holders of Green Bonds ("**Holders**") that the Green Bonds cease to comply with the Sustainable Debt Framework or the Green Bond Principles,

then:

- the bonds may cease to be labelled or trade as green bonds, but no Event of Default will occur in relation to the Green Bonds; and
- neither the Holders nor Precinct have any right for the Green Bonds to be repaid early.

- a. the minimum Interest Rate of 2.85% per annum (as announced by Precinct via NZX on 17 May 2021); and
- b. the sum of the issue margin determined following the bookbuild and the Base Rate on the Rate Set Date.

The Issue Margin was determined by Precinct in conjunction with the Joint Lead Managers at 1.45% per annum and at the Base Rate on the Rate Set Date was 1.40% per annum. Accordingly, the sum of the issue margin and the Base Rate applies to the Green Bonds.

The First Interest Payment Date is on 28 November 2021. As this is a Sunday, interest will be payable on Monday, 29 November 2021.

Loan to Value Ratio Precinct must ensure that while the Green Bonds are outstanding, the total principal amount of all outstanding borrowed money secured by the Mortgages does not exceed 50% of the Mortgaged Property Value (the "Loan to Value Ratio").

A breach of the Loan to Value Ratio covenant will not automatically trigger an Event of Default, but will instead trigger an Event of Review. Following that breach, Precinct may have up to 13 months to remedy the breach before it will trigger an Event of Default (up to six months to remedy the breach and, if the breach is not remedied and after Precinct has given notice of the failure to remedy the breach (such notice to be provided within 20 Business Days after the end of that six month period), six months to execute any plan provided to the Supervisor to remedy the relevant breach).

For full details of the Events of Default and Events of Review, see clauses 11.1 and 11.2 of the Trust Deed.

Such security may rank behind the Mortgages or may be over assets which Holders do not have security over.</p>

Transfers

Holders are entitled to sell or transfer their Green Bonds at any time subject to the terms of the Trust Documents and applicable securities laws and regulations. Precinct may decline to register a transfer of Green Bonds for the reasons set out in the Trust Documents.

The minimum amount of Green Bonds a Holder can transfer is \$1,000, and integral multiples of \$1,000 thereafter. No transfer of Green Bonds or any part of a Holder's interest in a Green Bond will be registered if the transfer would result in the transferor or the transferee holding or continuing to hold Green Bonds with an aggregate principal amount of less than the minimum holding of \$5,000 (other than zero).

NZX Quotation

Precinct will take any necessary steps to ensure that the Green Bonds are, immediately after issue, quoted. Application has been made to NZX for permission to quote the Green Bonds on the NZX Debt Market and all the requirements of NZX relating thereto that can be complied with on or before the distribution of this Terms Sheet have been duly complied with. However, NZX accepts no responsibility for any statement in this Terms Sheet. NZX is a licensed market operator and the NZX Debt Market is a licensed market under the FMCA.
