# FINAL TERMS SHEET

## FOR AN OFFER OF TWO SERIES OF SUBORDINATED CONVERTIBLE NOTES

This terms sheet should be read together with the Product Disclosure Statement dated 1 September 2023 (**PDS**) for the offer of two series of subordinated convertible notes by Precinct Properties New Zealand Limited (**Offer**). The PDS is available at [www.precinctnotesoffer.co.nz](http://www.precinctnotesoffer.co.nz) or can be obtained from the Joint Lead Managers or your usual financial advisor. Investors must obtain a copy of the PDS before they apply for Notes.

Capitalised terms used but not defined in this terms sheet have the meanings given to them in the PDS.

<b>Issuer</b>	Precinct Properties New Zealand Limited ( <b>Precinct NZ</b> ).
<b>Description</b>	<p>Subordinated convertible notes in two series (the <b>2026 Notes</b> and the <b>2027 Notes</b>, and together the <b>Notes</b>).</p> <p>Subject to a Cash Election by Precinct NZ as described below, the Notes will Convert into ordinary shares in Precinct NZ.</p> <p>If Precinct NZ issues shares on Conversion, Precinct Properties Investments Limited (<b>Precinct Investments</b>), must issue a corresponding number of fully paid ordinary shares for no consideration. The Precinct NZ and Precinct Investments shares will be stapled under the Stapling Deed described below (<b>Stapled Shares</b>).</p>
<b>About the Precinct NZ Group and the Stapled Structure</b>	<p>The Precinct NZ Group includes Precinct NZ and the companies that it owns.</p> <p>The Precinct NZ Group is part of the Precinct Properties Group, which includes Precinct NZ and Precinct Investments together and any companies that either of them own. The Precinct Properties Group is a stapled structure pursuant to a stapling deed dated 7 June 2023 (<b>Stapling Deed</b>). A stapled structure comprises two listed parent companies whose shares are held by the same shareholders in equal proportions. The shares in each parent company are "stapled" together, meaning they can only be transferred or dealt with together. Each Stapled Share comprises one ordinary share of Precinct NZ and one ordinary share of Precinct Investments.</p> <p>The Precinct NZ Group, and the Precinct Properties Group of which it is part, is New Zealand's only listed city centre real estate specialist, investing predominantly in premium and A-Grade city centre real estate.</p>
<b>Subordinated Guarantee</b>	<p>The Notes are guaranteed by Precinct Investments under a Subordinated Guarantee. Precinct Investments is not a member of the Precinct NZ Group but is a member of the Precinct Properties Group and is an associated person of Precinct NZ.</p> <p>The Subordinated Guarantee is not limited or subject to conditions.</p> <p>The Subordinated Guarantee does not have the benefit of any security and is subordinated. This means that Precinct Investments' obligations under the Subordinated Guarantee will be subordinated to its unsubordinated obligations (including its secured obligations as guarantor of Precinct NZ's bank borrowing, USPP Notes and Secured Bonds, and to trade creditors).</p>
<b>Purpose</b>	The proceeds of the Offer (net of issue costs) are expected to be used to repay existing bank debt and for general corporate purposes.
<b>No credit ratings</b>	The Notes will not be rated.
<b>Issue size</b>	<p>\$150,000,000 of Notes, made up of:</p> <ul style="list-style-type: none"> <li>• \$65,000,000 of 2026 Notes; and</li> <li>• \$85,000,000 of 2027 Notes.</li> </ul>
<b>Issue price</b>	\$1.00 per Note, being the Principal Amount of each Note.
<b>Term</b>	<p>2026 Notes: 3 years with a Conversion Date of 21 September 2026.</p> <p>2027 Notes: 4 years with a Conversion Date of 21 September 2027.</p>
<b>Conversion Date</b>	<p>For <b>2026 Notes</b>: 21 September 2026.</p> <p>For <b>2027 Notes</b>: 21 September 2027.</p> <p>The Notes may Convert before the relevant Conversion Date in some circumstances. See the "Early Conversion" section below for further information.</p>

**Conversion**

On the relevant Conversion Date, all outstanding Notes in a series will be Converted and Stapled Shares will be issued, subject to a Cash Election.

The number of Stapled Shares to be issued following Conversion of each holding of Notes will be determined by dividing their Principal Amount (together with any Unpaid Interest (and any interest thereon)) by the Conversion Price, which is the lesser of:

1. the Conversion Price Cap of:
  - for the 2026 Notes: \$1.36; and
  - for the 2027 Notes: \$1.40; and
2. the Market Price (calculated as per the statement below).

The Market Price is determined based on the arithmetic average of the daily volume weighted average price of Stapled Shares on the NZX Main Board in the 20 Business Days prior to (but not including) each Conversion Announcement Date, as described in section 6 of the PDS (*Key features of the Notes*).

The Conversion Announcement Date is 5 Business Days before the relevant Conversion Date.

The Conversion Price Cap may be adjusted in certain circumstances as further described in the PDS. Please refer to the PDS for example scenarios of Conversion at different Market Prices.

**Conversion Price Cap Adjustments**

The Conversion Price Cap will be adjusted for bonus issues, rights issues, placements or Share Purchase Plans and divisions as described further in the PDS.

However, no adjustments will be made in respect of any actions pursuant to a dividend reinvestment plan, any further issuances of convertible notes, or any other transactions which may affect the price of the Stapled Shares (including, for example, any return of capital, buy back or cash dividend paid by Precinct NZ or Precinct Investments).

**Cash Election**

Rather than Converting a series of Notes, Precinct NZ may elect to instead pay a cash amount to Noteholders at the end of the term. In this case, Noteholders would be paid an amount equal to the Market Price (calculated as set out above) of all the Stapled Shares that would have otherwise been issued to them on Conversion of their Notes, so that they receive an equivalent value to those Stapled Shares (as determined under the terms of the Notes) and will similarly benefit from any appreciation of the Stapled Share price above the relevant Conversion Price Cap prior to the Conversion Date.

Precinct NZ may only elect to pay the cash amount if it is not insolvent and no event of default in respect of borrowed money is continuing (and Precinct NZ would not become insolvent, and no such event of default would occur, as a result of making such payment) (the **Payment Condition**).

Precinct NZ will announce whether it intends to make a Cash Election for a series of Notes via NZX on or before the Conversion Announcement Date, being the date that is 5 Business Days before the relevant Conversion Date.

## FINAL TERMS SHEET (CONTINUED)

### Early Conversion

The Notes may be Converted prior to the relevant Conversion Date:

- after an Event of Default;
- at the Noteholders' option after a Compulsory Acquisition Event; or
- at Precinct NZ's option after a Tax Event,

as described further in the PDS.

A **Compulsory Acquisition Event** will occur if any person (or persons acting jointly or in concert) become bound, or become entitled and elect, to compulsorily acquire Stapled Shares held by minority Shareholders, whether following a takeover offer, a scheme of arrangement or otherwise (except for the interposition of a non-operating holding company or similar, as described further in the PDS).

Broadly, a **Tax Event** will occur if there has been, or there will be, a change in New Zealand law applying after the Issue Date, as a result of which:

- any interest payable on the Notes is not, or will not be, allowed as a deduction for the purposes of New Zealand income tax; or
- Precinct NZ would be, or is likely to be, exposed to any other adverse tax consequence in relation to any Notes,

provided such event is not minor and Precinct NZ did not expect such event on the Issue Date.

The Cash Election does not apply to any Conversion before the Conversion Date.

### Interest Rate

The Interest Rate has been set at:

- for the 2026 Notes: 7.56% per annum; and
- for the 2027 Notes: 7.53% per annum.

The Interest Rate for both series of Notes equals the sum of the issue margin and the Swap Rate.

### Issue margin

The issue margin is:

- for the 2026 Notes: 2.40% per annum; and
- for the 2027 Notes: 2.55% per annum.

### Swap Rate

The mid-market 3-year swap rate (adjusted to a quarterly basis as necessary) in respect of the 2026 Notes and the mid-market 4-year swap rate (adjusted to a quarterly basis as necessary) in respect of the 2027 Notes, in each case for a term commencing on the Issue Date and determined on the Rate Set Date by Precinct NZ in conjunction with the Arranger in accordance with market convention, by reference to Bloomberg page ICNZ4 (or any successor page) (rounded to 2 decimal places if necessary, with 0.005 rounded up).

### Interest Payment Dates

Quarterly in arrear in equal amounts on 21 March, 21 June, 21 September and 21 December each year (or if that day is not a Business Day, the next Business Day) until and including the relevant Conversion Date, with the first Interest Payment Date being 21 December 2023.

Interest payments may be suspended in certain circumstances as described below.

### Interest suspension

Payments of interest on the Notes will be suspended if Precinct NZ does not meet the Payment Condition (as described above) in respect of such interest.

Any suspended interest payment (**Unpaid Interest**) will accumulate and interest will accrue on it at the Interest Rate (compounding on each Interest Payment Date) until paid. No dividend or other return will be made to Shareholders while any interest on the Notes is suspended.

Unpaid Interest is required to be paid within 5 Business Days after Precinct NZ meets the Payment Condition in respect of such interest. Any Unpaid Interest (including any interest thereon) will be added to the Principal Amount on Conversion.

### Record Date

The record date for interest payments is 5pm (New Zealand time) on the date that is 10 days before the relevant Interest Payment Date or, if that is not a Business Day, the immediately preceding Business Day.

### Retail Brokerage

0.50% retail brokerage plus 0.50% on retail firm allocations paid by Precinct NZ. No firm fees will be paid on allocations made in the Shareholder Priority Offer but brokerage of 0.50% will be paid.

### Australia

This terms sheet, the PDS and the offer of Notes are only made available in Australia to persons to whom an offer of securities can be made without disclosure in accordance with applicable exemptions in sections 708(8) (sophisticated investors) or 708(11) (professional investors) of the Australian Corporations Act 2001 (the **Corporations Act**). Terms used above have the meaning given to them by Regulation S."

Until 40 days after the completion of the distribution of all Notes, an offer or sale of the Notes in the United States by any Joint Lead Manager or any dealer or other distributor (whether or not participating in the offering) may violate the registration requirements of the US Securities Act if such offer or sale is made otherwise than in accordance with Regulation S.
